The Board of Directors of SINJIA LAND LIMITED (the “Company”) wishes to announce that the Company and its subsidiaries (the “Group”) will be announcing its 1H 2013 unaudited financial results after the close of trading day on 14<sup>th</sup> August 2013.

Compared to the net profit of \$0.01 million for 1H 2012, the Group expects to announce a net loss for 1H 2013 due mainly to decline in revenue from its key customers in the elastomeric business unit. The manufacturing business units continue to face rising cost pressure mainly due to the hike in minimum wages in the respective countries of operation in PRC, Indonesia and Malaysia.

The above are based on the preliminary review of the unaudited financial results of the Group. Further details of the Group’s financial performance and position will be disclosed when it announces its 1H 2013 financial results.
